

## (BRING ME THE) GOOD NEWS

MUSIC & WORDS: E.J.M. BORGERS © BOGEY MUSIC 1992

Integration  
Complication  
Segregation  
Humiliation  
Somebody gotta let me know

Limitation  
Aggravation  
Consternation

Gun control  
Pure gold  
If you don't act  
Oooh  
I'd rather gotta know

Young kids  
Out of reach  
Like you preach

If you wanna break on through to me now baby  
You'd better bring me the good news  
Bring me the good news  
Bring me the good news

Happiness  
Hard to hold  
Waking up  
Go to work  
All your dues, sing the blues, that's a fact, simple and true

Hard to get  
So I'm told  
Every day  
So you pay

Better bring me the good news  
Bring me the good news  
Come on and bring me the good news  
Bring me the good news
