Where's your mind when the lights go out
Can I pop into your sight
It's partly true, I'd like to eat
Your precious time, piece by piece
Up till here it feels good

It's pure sensation and I can't stop
It's partly true, you like to whip
My fantasy, it works for you
Up till here it feels so good yeah

First, I had a feeling, I was walking on thin ice
But I can see more clearly now
I've got no choice no

Poontang bang bang
Poontang bang bang
Poontang bang bang
Poontang
