

## **DON'T TORTURE YOURSELF**

MUSIC: D. HOLLESTELLE / E.J.M. BORGERS • WORDS: E.J.M. BORGERS © BOGEY MUSIC 1991

Suppose you cannot reach the top  
And live like a number one  
That doesn't mean this world will stop  
It keeps on turning on, turning on  
And desillusions rule our live  
And hang around you day and night  
Don't walk out of the good things that we have

Don't torture yourself  
Walk away from the pain  
Don't torture yourself  
Walk away  
Make it up to yourself

Cause if you keep on pushing on  
It will tear you all apart  
The ambition for success  
Got it's claw in your heart  
And just because of the cross that you bear  
You won't see I'm standing there  
Talking to you till you understand

Don't torture yourself  
Walk away from the pain  
Walk away  
Don't torture yourself  
Walk away from the pain  
Make it up to yourself
